South Students—

Can Listen, Labor, Learn

Equality of opportunity. That is the underlying philosophy of the South High program.

All students are urged to listen to classroom lectures, participate in discussions, do some individual research, and get basic preparation for the future.

Coloneland teachers assisted by serving as guides, persuaders, advisers and confidants to students as they search for answers.

Yes, equal opportunity to learn is offered to every student—but all do not take equal advantage of their chance to learn.

Administrators—

Provide Policy, Plans

Good education in Wichita starts with the 12-member Board of Education, which is elected by the people. This group determines the program and policies for the operation of 97 schools where over 55,000 youth seek an education.

Dr. Lawrence Shepoiser, superintendent of schools, was appointed by the Board to administer the school system. He sees that the policies of the Board are carried out, recommends changes which will provide better educational opportunities, and directs the selection of personnel.

Management of South High, the newest school in Wichita, has been delegated to Dr. Ralph Pyles, principal, assisted by Mr. Victor Jantzen, vice principal, Mr. George Lauterbach and Dr. Benny Wolfe, assistant principals. Their administrative duties center around adapting South's program to student needs, scheduling, disciplining, and directing the activity program.

The administrative details of attendance, records, finance, health, and counseling are handled by the office staff.

PROBLEMS which arise at WHSS sometimes call for counseling between Dr. Lawrence Shepoiser, superintendent of schools (left), **and Dr. Ralph Pyles, South High principal.**

D STUDENTS "TALK" TO THEMSELVES, TO EACH OTHER, AND TO THE INSTRUCTOR IN FOREIGN LANGUAGE LAB.

Education at South High—

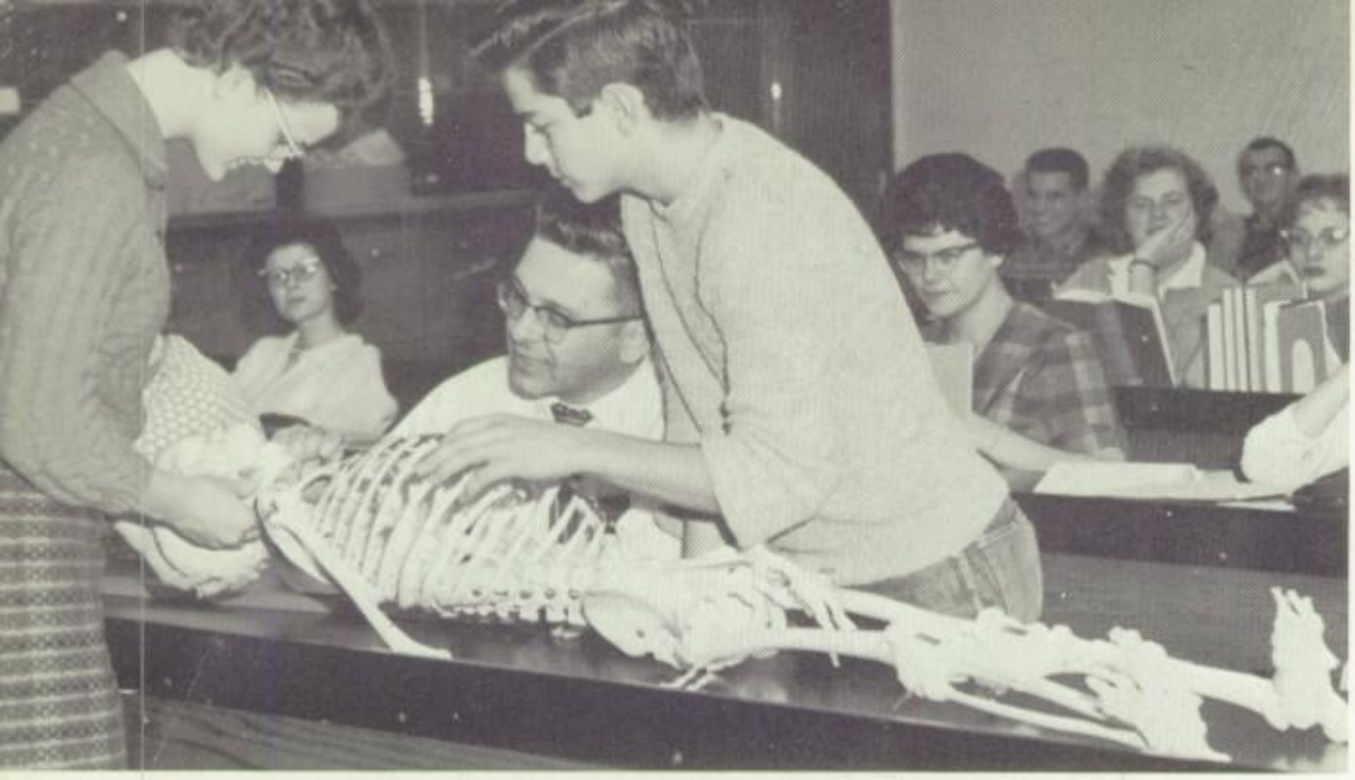
Offers Opportunity for 'Personalized' Training

All of the instructional program at South High is geared to enabling every student to obtain the best possible education.

At South the curriculum includes the customary academic subjects of language arts, mathematics, and science. These comprise a great portion of the classroom courses taken by 1,400 Southerners.

But "personalized" development of the individual is also aided by special interest courses in fine arts, business, homemaking, industrial arts, and physical education.

Electronic equipment is becoming an important assistant to South High teachers. This year, the use of a new language lab, closed-circuit television, a drive-o-trainer trailer, and numerous audio-visual devices introduced variety into classroom presentation.



CLOSE INSPECTION of a skeleton made physiology more meaningful for Connie Sims, Phil Hawkins, and Mr. James Anders, the instructor.

VOCATIONAL TRAINING furnished practical experience for printing students (l to r) Colin Arndt, Tom Akers, and Bill Jackson.

TAPES OF THEIR OWN VO

STRESSING creativity, modern dance courses offered opportunities for self-expression.

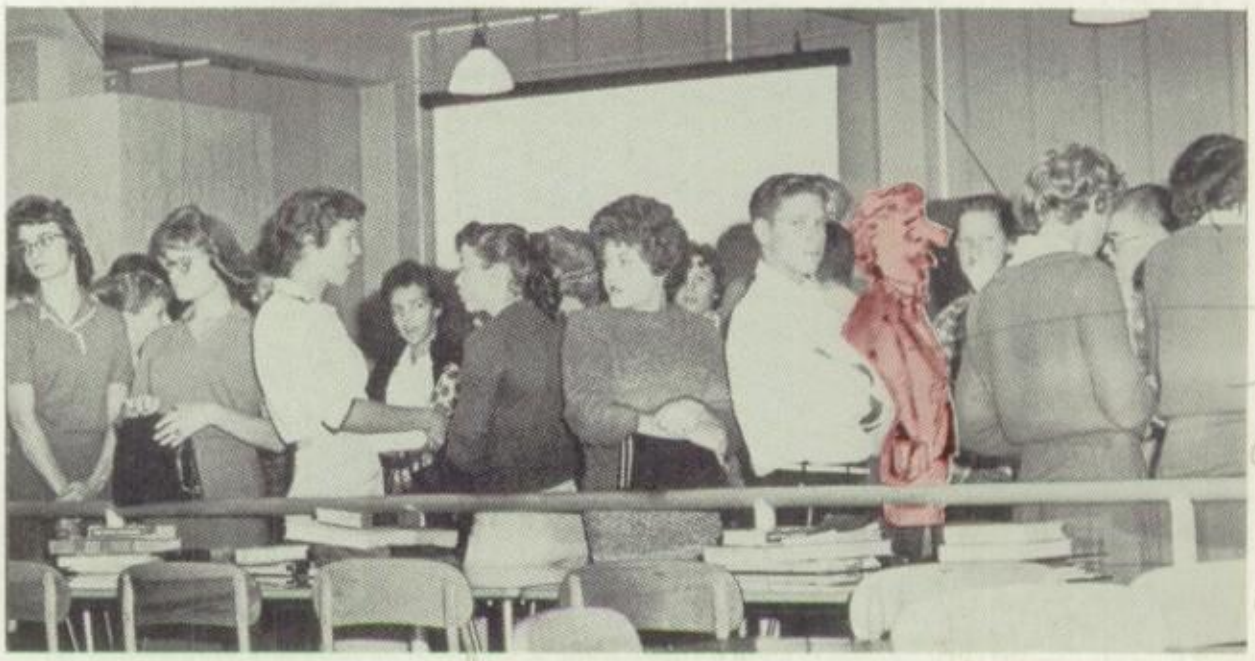
MANUAL dexterity is necessary in typing both for business and personal use.

CREATIVE talents are given individualized treatment in art classes.



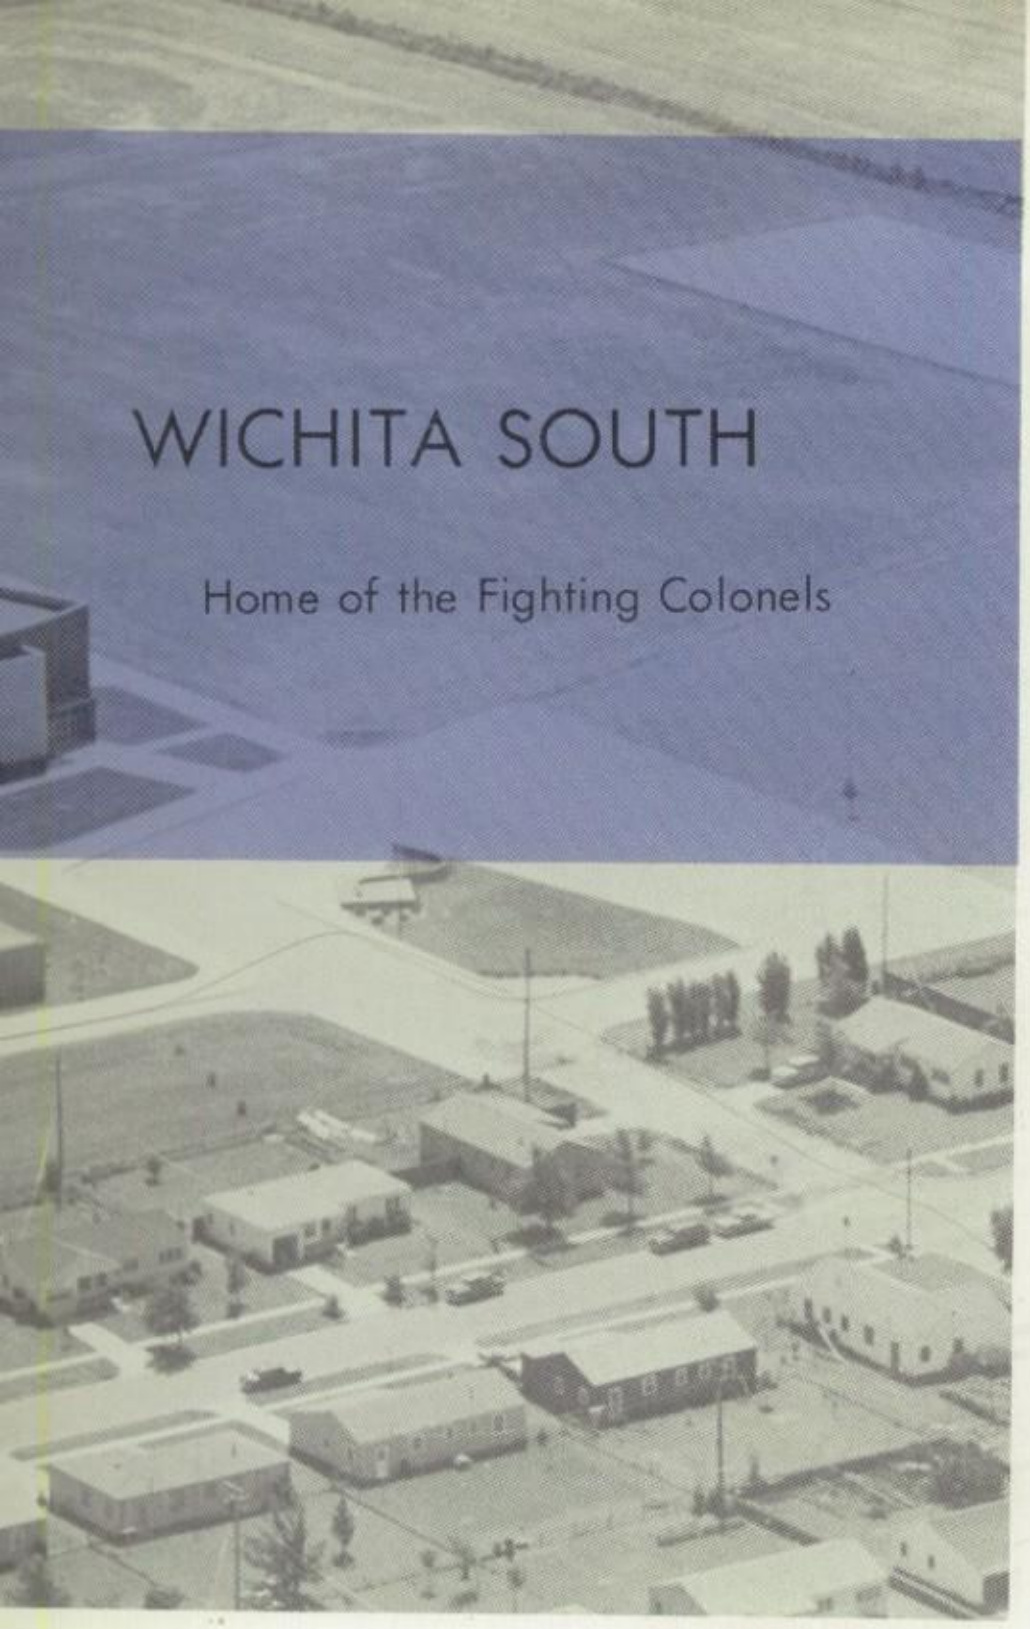
JAMS in lunch line often are made more severe by the pressure of healthy teenage appetites.

POISE and grace are a part of the physical education training acquired by modern dance students.

ANSWERS to many reference, personal, and recreational problems are found by Colonel readers in South High's sunny library.

SECRETS of science often are revealed to students through laboratory experiments.

FIRST-HAND facts about government can best be furnished to TV students by visiting guests like Wichita's Mayor Lev Rymph (left).



WICHITA SOUTH

Home of the Fighting Colonels

Planning is the key to success in education, and South High was planned with the student in mind. Despite its size—226,600 square feet, or 5.2 acres, under one continuous roof—the functional building incorporates eight well-defined areas.

Wing A, the fine arts section, contains the dramatics, speech, music, and art rooms which ring the 1,526-seat auditorium in horseshoe fashion so that the stage can be used for laboratory purposes.

Included in Wing B are nine business classrooms, the Office, the Guidance Center, and the Health Center. The library, English, language, and journalism classrooms, and language laboratory are found in Wing C.

Social studies and math classrooms and the TV studio comprise Wing D. Biology, chemistry, physics, and basic science facilities are located in Wing E. The seven-room homemaking suite is in Wing F.

The cafeteria, which fronts on the main hall, seats 500 persons and provides "classroom" space for students who monitor the four TV class broadcasts.

Shops for metals, electricity, woodworking, drafting, printing, and auto mechanics are located in Wing H, behind the cafeteria.

Included in the physical education wing are the boys' gym, which seats 1,300 spectators, the girls' gym, a modern dance room, four classrooms, a 60 x 25 swimming pool, and three locker rooms.

THROUGH South High's front door passed almost 1,400 students each day this year in search of knowledge, friendship, and fun.

WICHITA

From a sleepy cowtown of 50 people to a booming metropolitan area of a third of a million—that's the story of Wichita.

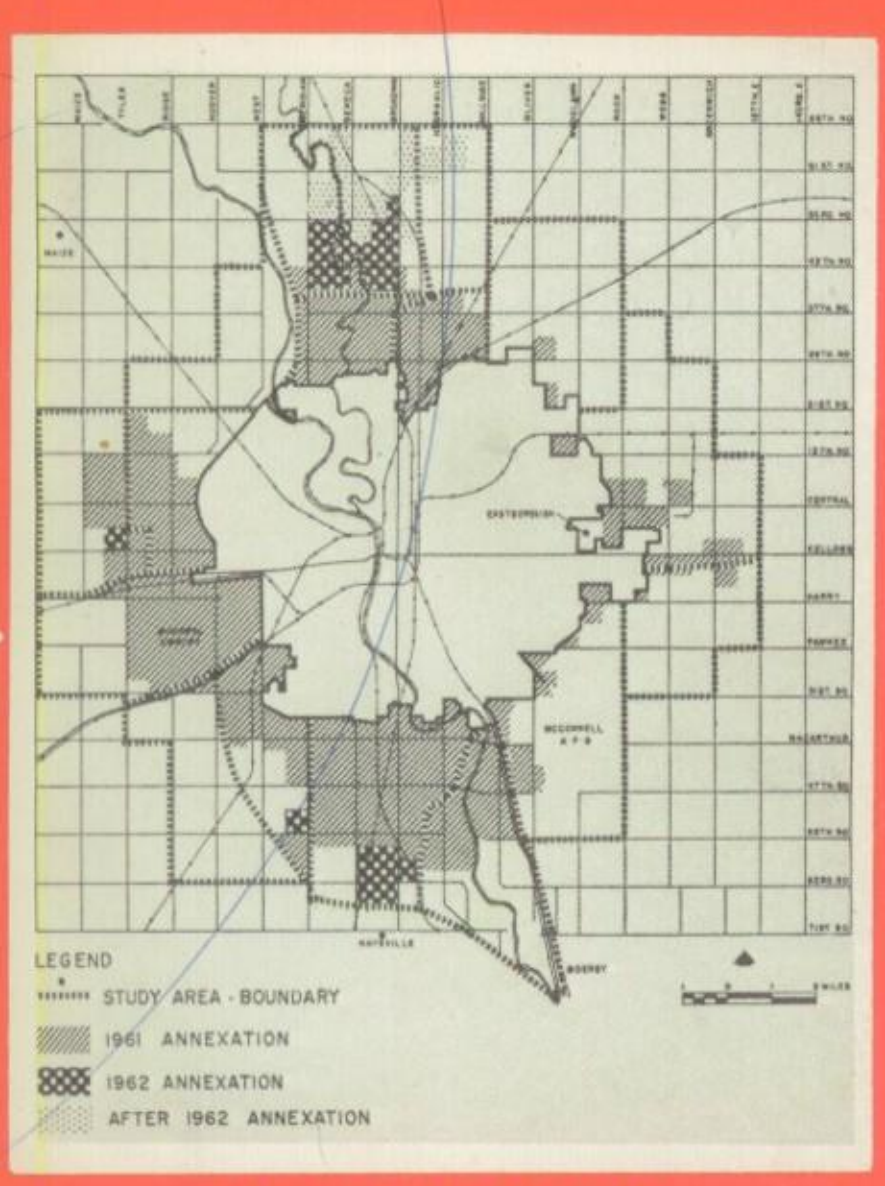
Built where the forks of the Arkansas River join, the struggling village sprang to life after 1870 when a railroad spur to Newton turned Wichita into the chief market for the 3,000,000 Texas cattle driven north over the Chisholm Trail.

Growth as a grain market, flour milling center, wholesale center, and oil capital for the state kept the Wichita boom going.

Aircraft gave the city the "Air Capital of the World" title in the 40's and 50's, for Wichitans now turn out 10 per cent of all military planes, and more personal and business aircraft than all other U.S. cities combined.

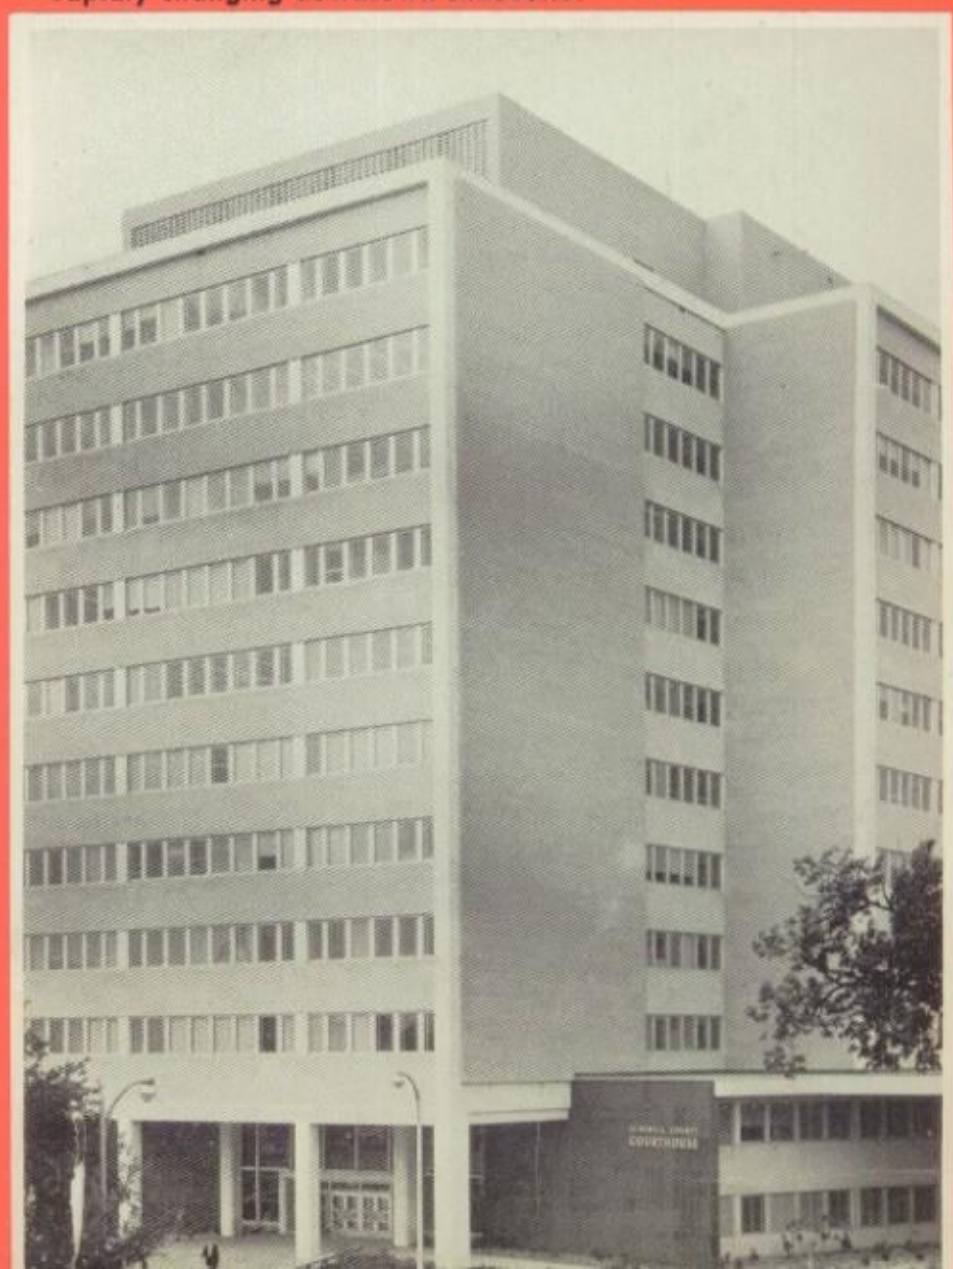
Expanded to an area of 50 square miles, Wichita is expected to more than double its area and attract a half million people during the 1960's under the new "One Wichita Plan."

ALMOST forgotten is the Chisholm Trail marker, at the corner of Douglas and McLean Boulevard, which reminds Wichitans of the city's historic beginning.

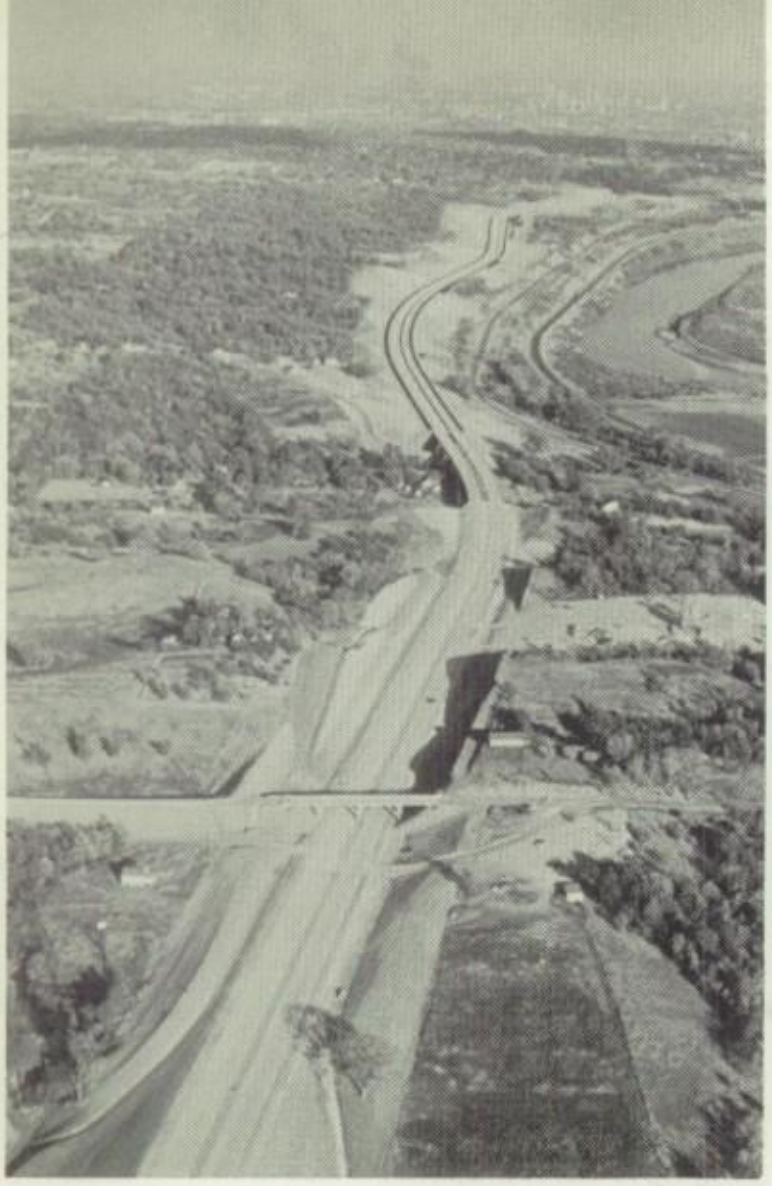


ONE WICHITA PLAN

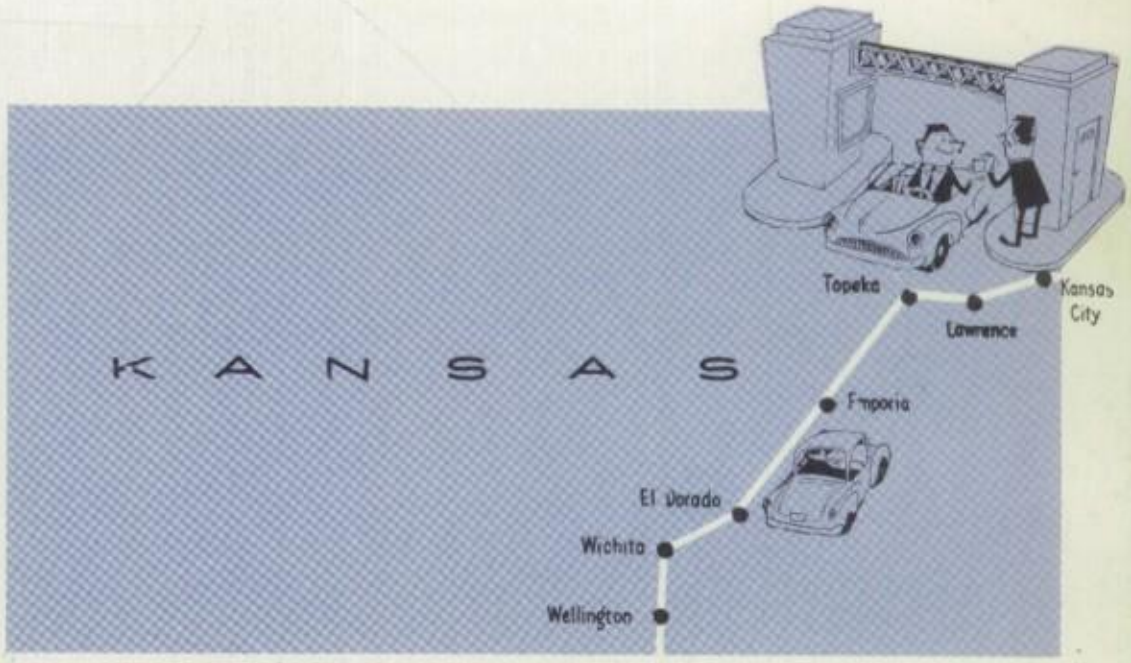
MODERN landmark in Wichita is the new 10-story Sedgwick County Courthouse, a blue brick and glass addition to the rapidly changing downtown silhouette.



HUB of Wichita's business district is the intersection of Douglas and Broadway, viewed here from an easterly approach. Wichitans also use these and other arterial streets to reach the numerous new shopping centers which have sprung up to meet the needs of the city's exploding population.



WEST of Kansas City (in the background) the Turnpike skirts the Kansas river, then cuts through the rolling farmland of Eastern Kansas past Lawrence and on to Topeka.



MAJOR cities served by the Kansas toll road are indicated on this map. In addition to the interchanges at these cities, there are others at Bonner Springs, Admire, and South Haven.

Turnpike

Travelers get a fresh—and faster—view of Kansas today as they speed across the state on the 236-mile-long Kansas Turnpike, a twin 24-foot superhighway running westward from Kansas City to Topeka, by Wichita, and on to the state of Oklahoma.

The fourth longest toll road in the U.S., the Turnpike represents the latest thoughts in highway design, construction, and safety. Travelers, riding in gas-driven "scooners" at an 80-mile-per-hour clip, brush momentarily with history as they cross the old Santa Fe Trail at the western edge of Osage County, northeast of Emporia.

Missed by the Santa Fe Trail, Wichita, the largest urban area in Kansas, stands to make giant commercial strides in the coming decades because the Turnpike heralds a new era of travel and trade to the Great Southwest.

ONE of the three Wichita interchanges is located near the giant Boeing-Wichita plant. South High lies three miles straight west of this K-15 exit.

The Kansas

FE TRAIL

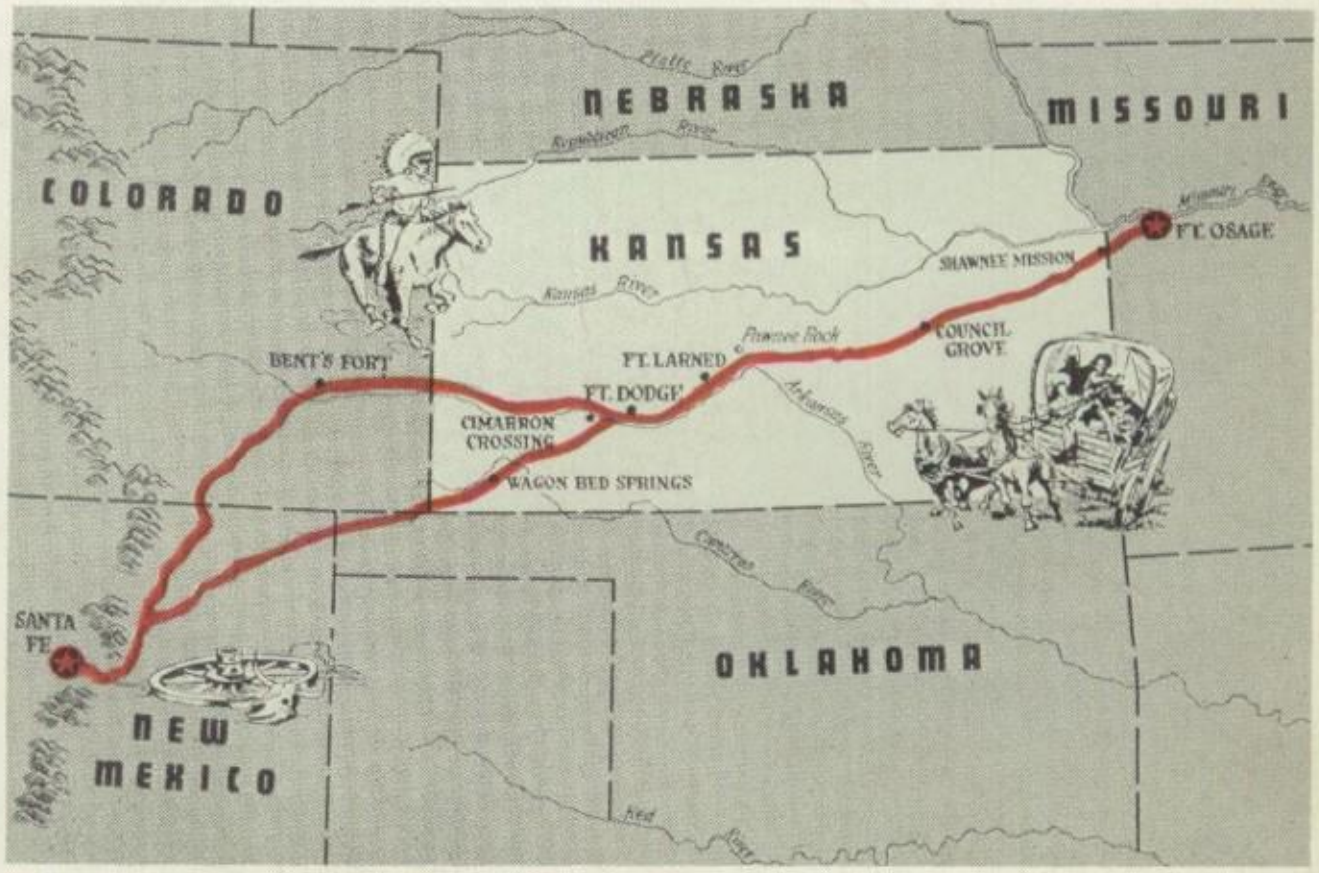
One of the most famous highways in U.S. history was the federally-surveyed road joining the frontier settlements of Missouri with the Mexican village of Santa Fe, some 800 miles to the southwest.

Blazed by Capt. William Becknell in 1821, this road, known as the Santa Fe Trail, passed through what today is Kansas, becoming the first established route to connect a young America to her expanding interests in the Far West.

An annual trade to Santa Fe which rose to almost a half-million dollars, the migration to California, and the Colorado gold rush converted the trail into a main artery of commerce and migration.

Before the traffic on the Trail finally dribbled to a halt in the 1870's thousands of ranchers and homesteaders settled the Kansas prairie. At dusk on the evening of January 29, 1861, by a stroke of President Buchanan's pen, Kansas became the thirty-fourth state to join the Union.

Although unused for 85 years, ruts ground out by the wheels of heavy wagon trains which rumbled down the Santa Fe Trail, are still in evidence in almost all of the 21 counties through which the route passed.



THIS FAMOUS overland route to Santa Fe divided at a point 19 miles west of Dodge City. The southern road was a shorter but more dangerous trail. Approximately two-thirds of the road passed through present-day Kansas.

THE OLD

TRAIL RUTS NORTHWEST OF DODGE CITY. Fanning out over the hills nine miles west of Dodge City, the old ruts of the Santa Fe Trail appear as dark streaks on the earth in this aerial photograph. The large S-shaped ditch is the famous Soule canal, built and operated in the 1880's, years after the Trail had been abandoned. The ruts in this area are more prominent than anywhere else in Kansas.

DEDICATION

Kansas pioneers were noted for their friendliness, courage, and self-reliance. Early Jayhawkers also needed patience and perseverance to wrest a livelihood from the sun-baked, wind-swept western plains.

These traits of pioneer character are still needed in the leaders of today, and are best exemplified at Wichita High School South by Dr. Ralph Pyles, our dedicated principal.

In the two years he has been at South, Dr. Pyles has gained the respect and admiration of those who know him because of his keen interest in people, his touch of friendly persuasion, and his devotion to personalized education.

His desire to have first-hand information about everything that goes on at South keeps him on the move, yet Dr. Pyles is always ready with an attentive ear, a helping hand, or a well-considered suggestion.

A rare combination of tact, efficiency, and humility, Dr. Pyles far exceeds the high standards of personal conduct and integrity expected of a Southern Colonel.

So, to you, Dr. Pyles, our respected friend, we gratefully dedicate this 1961 edition of the Sabre.

POSING for a Southern Sweetie ad, Lana Braden flashed her prettiest smile.

IN THE NICK OF TIME Ricky Cone realized he was going in the wrong door.

MIRROR, MIRROR on the wall, who's the slowest of them all, (l to r) Mr. Weddle, Omer Wilson, Dale Mizer, or Mr. Sanderson?

ANYTHING, including dry bread, would appease the mid-afternoon hunger of Leilani Goff, Lerry Chapman, Kae Ensz, and Janice Jason.

AFTER a strenuous game Janet Alvis found that even the hard bus floor was comfortable.

REACTIONS of Norma Jean Atchison and Don Hoffman (top, left) to a Shelley Berman record could only be described as hysterical. PICKLE PUSS Southerners Sara Woodland, Terri Morris, and Anne Langenberg (bottom, left) registered a variety of expressions as they nibbled the dill-flavored pickles peddled by the junior class. PROJECTS

Student Government—

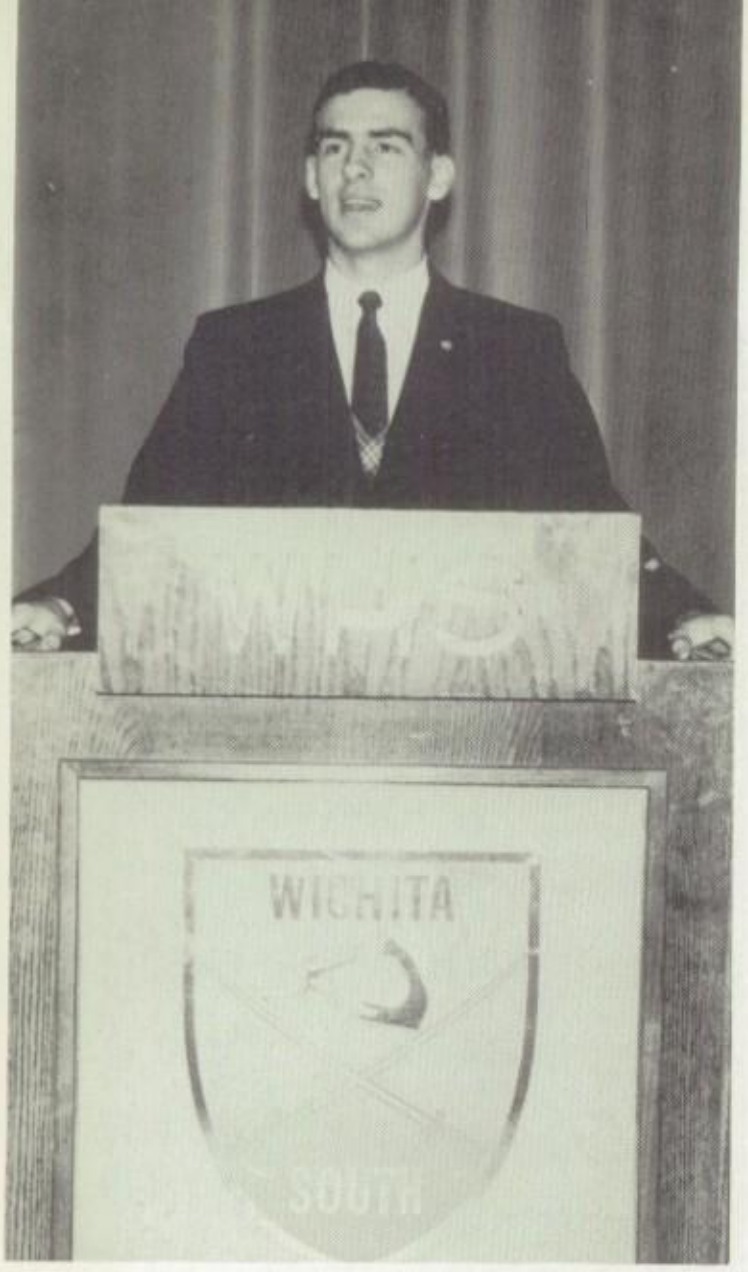
Tries Ambitious Program

Election of the Student Government officers, class officers, and first period representatives provided the first task for this year's Student Government, advised by Mr. Lindley Cox and Mr. Ralph Ross.

The 61-member SG hosted the regional Student Government Conference which featured Dr. Earl B. Reum, Activities Director of Denver Public Schools, sponsored the Leadership Training program, and took an active part in the Intra-City Student Council. Joe Forinash, South senior, was elected president of the ICSC.

The Student Government directed the "Operation Holidays" program, set up a display at Open House, prepared a student handbook, and sold Fightin' Colonel buttons.

Formed this year, the Executive Council met on alternate weeks of the Student Government. This council, which served as the steering committee of the SG, consisted of the five officers, three class presidents, the election commissioner, and the activity director.



"WOULD you please stand for the flag salute?" asked Joe Forinash, SG President at the beginning of each assembly.

"NEW BUSINESS is now in order," exclaimed Bob Morris, SG vice-president.

MIMEOGRAPHING the minutes of the last meeting became one of the many jobs of Ellen Cowles, SG secretary.

BALANCING the books kept SG treasurer Sherry Irons busy.

"POINT of order," called Frank Scott, SG parliamentarian.

GOOD SPORTSMANSHIP was displayed towards Referee Sam Gardned by "Gorilla" Mike Clememsen at the SG assembly.

POSTERS aided the campaign of Cynthia Sorenson, sophomore treasurer.

INCLUDED among the duties of Joe Forinash was presiding at the Intra-City Student Council meetings.

TIPS for better club meetings were offered Miss Margaret Oliver during the Leadership Training Program.

"OPERATION HOLIDAYS" offered (l to r) **Kathleen Nida, Sharon Burns, and Brian Pontius a chance to contribute toys and clothing to the Wichita Drive.**

CREATOR of Colonel South, the peppy cartoon character who appeared in the Sabre this year, was Mr. Charles Sanderson a peppy South High art teacher.

Sabre Staff—

Pays Tribute to Kansas

Centennial thoughts circulated all year in the minds of South High's all-girl yearbook staff as they worked daily to build an annual around Kansas' birthday.

To develop the 100th anniversary theme, the staff used geographic division pages, pictures of historic and modern Wichita, a special cartoon character, two-color introduction pages, and special endsheets.

The Sabre was expanded to 140 pages this year to allow space for individual photos of all students, special academic coverage, and a new activity section.

Special recognition and thanks were given by the staff to Mr. Charles Sanderson for his art work, to the Kansas Industrial Development Commission for special photographs, and to Mr. Murl Jones, of Student Photos, for his photographic help.

Southerner Staff—

Records Many News Events

Thirty-five members of The Southerner staff tried many new innovations in an attempt to improve the quality of South's bi-weekly student newspaper.

A better grade of paper enabled the staff to get better picture reproductions. Some six page issues contained photo news pages made possible by an energetic advertising crew and the use of plastic engravings.

Also contained in the newspaper was a larger variety of features; wider sports coverage; special columns; and spots of humor.

Linda Weinlood and Phil Pehde, the co-editors, directed the efforts of four page editors and their respective assistants. Mr. Ralf Graham was the publication adviser.

CO-EDITORS Phil Pehde and Linda Weinlood checked press proofs with Mr. Howard Mitchell, South Side Publishing Co., before each new edition.

Vocal Musicians—

Blend Voices To Present Concerts, Cantata

Highlighting the year for the vocal music department students was their presentation of the fall and spring concerts, and cantatas at Christmas and Easter. All five of the vocal groups participated in these programs under the direction of Miss Christa Fisher.

The 65-member Choir, clad in blue robes with red stoles, also sang at the Wichita meeting of the Kansas State Teachers Association in November. The Mixed Chorus and Girls' Glee Club performed at several school programs.

Special performances were given by the Southern Belles, the girls' ensemble, and the Musettes, the mixed ensemble, before different civic groups and clubs in Wichita. Both ensembles and several soloists also competed in the Wichita and District music contests this spring.

Instrumental Musicians—
Get Chance To Perform

Instrumental groups performed at concerts, halftime shows, pep assemblies, and in city and regional contests.

In four football halftime shows, the band presented a variety of formations and music. At the homecoming game, the band provided a musical background to the coronation of the queen.

Decked out in their new red, white, and blue uniforms the Pep Band, a newly organized group, gave musical support to the cheerleaders at all home basketball games and pep assemblies.

The concert band had an opportunity to show talent and musicianship at their concerts in December, March and May. Performances were made at several junior high schools in the spring. The band completed its activities by participating in the second annual Commencement.

Brass and woodwind ensembles entertained at PTA meetings throughout the year. Other ensembles and soloists entered music contests that began in March.

A concert in December marked the debut of the orchestra as a performing group representing South High.

Y-Teens—

Emphasize Service to Others

Members of Y-Teens concentrated on service projects this year. In October, the girls conducted a house-to-house collection for the UNICEF drive. In addition to providing the Christmas tree for the school during the Yule season, the Y-Teens supported the YWCA "Gifts for Hong Kong" project.

Spring activities included participating in the Mardi Gras, taking a Kansas historical tour, and attending the Advisor's Dinner.

Elected officers for the group were Norma Jean Atchison, president; Sally Mayfield, vice-president; Bobbie Jo Loepp, secretary; and Sherri Scott, treasurer. They were assisted by a seven-member council and Mrs. Doris Wright, Mrs. Martha Maloney, Mrs. Dorothy Cook, and Mrs. Helen Funk, the advisers.

SIDELINE strategy was often plotted by Coach Carpenter and senior quarterback Mike Clemensen.

Varsity Gridders—

End Year Long on Fight,

South's Colonels ended the 1960 grid season without a City League win as they duplicated their 2-7 record of a year ago.

Coach Elmer Carpenter's Rebs proved to be rugged in the first half of every game against city opponents but ran out of steam against their heavier foes.

Leading the Scarlet and Blue in the rushing department was senior fullback Don Shockey who boasted a 6.1 yard rushing average and scored 18 points.

Quarterback Mike Clemensen hit 24-47 in his passing attempts for a 51 per cent average.

South completed an 80-yard pass play from Clemensen to Gary Coffelt with 14 seconds remaining in the game to curb the Winfield Vikings, 13-6, in the season opener.

The Ark City Bulldogs proved too much for South as they over-powered the Colonels,21-0.

South outplayed North statistic-wise, but the Redskins converted a pair of Southern fumbles into touchdowns and came out on top, 18-6.

A 70 yard drive in the final period prevented a shut-out as Wellington trimmed South,25-7.

The Colonels traveled to Valley Center to absorb a 25-12 loss before the Hornet's homecoming crowd.

Miscues again haunted South as West capitalized on Reb mistakes to take a decisive 25-0 win.

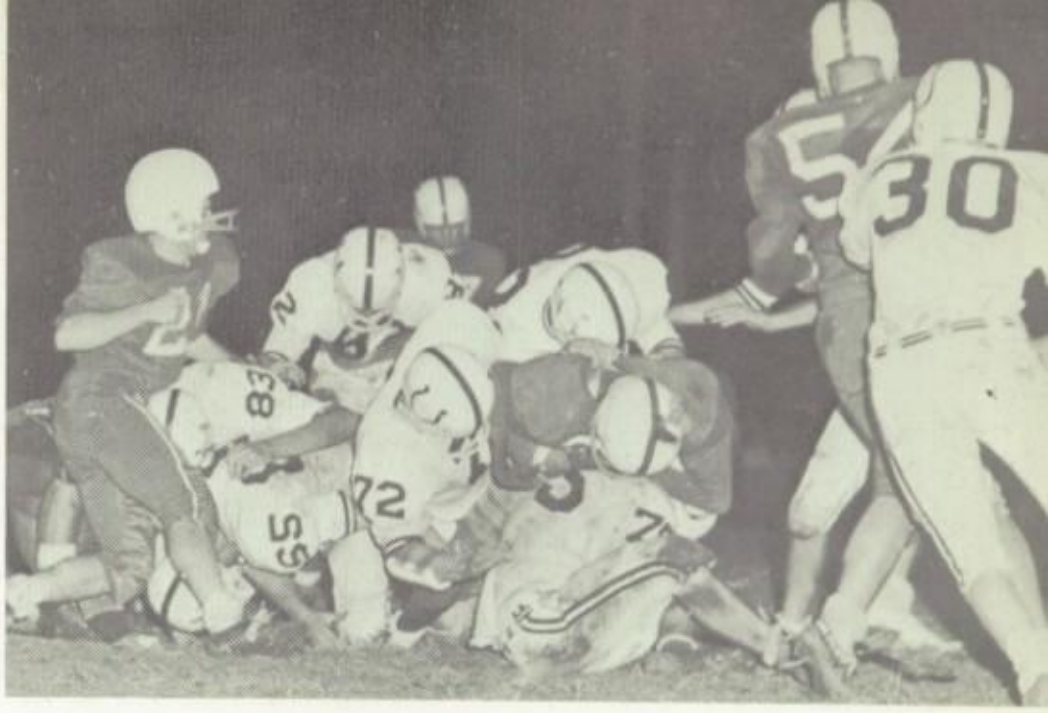
PILE-UP on Campus sod momentarily halted the Colonel's drive.



Short on Loop Wins

The Colonels' second win featured a six touchdown output as South coasted to a 32-0 win over the first year Campus Colts.

The East Aces were held to a tough 7-6 first half but the Airmen passed to a 26-6 win over the Colonels.

Southeast closed out the Southerners season with a 25-0 romp.

The 27 South lettermen, including 18 seniors, elected Colin Arndt and Doug Nutter as honorary captains.

Phil Pehde, senior guard, was named to the second team All-City squad.

GAINS were chalked up against Southeast when Clemenson called the keeper play.

DON SHOCKEY, who averaged 6.1 yards per carry, was hauled down from behind after a long gain against West.

Minor Football Squads—

Gain Experience, Bumps

South's B football squad compiled a 3-2 season record, and were 2-2 in loop play. The Red Raiders defeated East 13-0 with an air attack, but were stung through the air by the Southeast Reserves, 25-12.

The Raiders again used the passing of their quarterbacks to roll over the West Reserves 20-12. South's Raiders were dealt a 15-6 setback at the hands of a hard-running North B team. In the final game, the Rebs used a strong ground attack to crush Campus 26-0.

Cadet gridders completed their season with a 3-3 record and were 2-2 in league play. After dropping a 19-0 decision to East, the Colts used a pair of TD's to dump Southeast 13-6. Kapaun blanked the Cadets 14-0, before the Southerners won their second loop try by trouncing West 20-7.

The North High Sophs handed the Cadets their second loop loss 14-6, but the Dixiemen ran rough shod over the Campus Colts in their season finale 33-0.

Minor Cage Squads—

Provide Training for Young Rebs

Seven wins were chalked up by South's reserve Raiders during the cage season. They finished fourth in city competition with a 2-6 record as they tagged North, the city reserve champ, and West. In non-loop tests they defeated Chilocco, Winfield, Arkansas City, Wellington, and Kapaun. A quartet of Raiders scored over 100 points each—Bill Burford, 135; Terry Reeves, 123; Bob Laymon, 120; and Allen Brown, 100.

Sophomore roundballers compiled a 3-9 record for the season including a first place in the North Sophomore Invitational Tournament. Their league record was 1-7 with a win over West. The Cadets found a lack of bench strength a major disadvantage in their second season of competition. Norman Webster scored 129 points in 11 games to lead the Cadets in that department.

SQUEEZE play involving Jerry Chebultz and Ken Pettay resulted in a loose ball during the Kapaun game.

Colonelettes—

Thrive on Intra-Mural Sports

South's Colonelettes engaged in after-school sessions of tennis, golf, recreational swimming, Mermaids, individual net games, softball, track and field, basketball, bowling, modern dance, apparatus, and archery. The intra-mural activities followed a nine-week schedule, corresponding to the seasons.

Sponsoring two Co-Rec nights, the Colonelettes raised some money for additional equipment and supplies for the girls' physical education department.

South was host to Campus, East, North, Southeast, and West at a volleyball Sports Day held in the girls gym in November.

Officers of Colonelettes were Gay Eitel, president; Connie Sims, vice president; Beverly Howey, secretary-treasurer; Pat Goodacre, publicity chairman; and Carol Robinson, intra-mural manager.

TURNING inside out seemed easy for Marsha Quigley as she executed the bird's nest.

WARM-UP EXERCISES often required plenty of stretch.

PINS flew each Monday as many Colonelettes took to the bowling alley.

SPRING meant softball fun for Carole Lamb (left) and Susan Atkisson.

SWIMMING, both recreational and synchronized, was available to Colonelette splashers.

EQUIPMENT for Sports Day got a final check from Colonelette President Gay Eitel.

"EVERYTHING is upside down!" exclaimed Cathye Jackson.

SCRAMBLE! That was what (l to r) Deanna Marquardt, Diana Parrish, and Sandy White did as they played deck tennis.

SPIKING chores were shared by (l to r) Gay Eitel, Nancy Mosteller, and Deanna Marquardt during a volleyball contest.

PROPER form helped Sandy White to play golf with greater accuracy.

RUNNING approach helped Mildred Hardimon hurdle the buck.

PARADES

REIGNING over South's first annual homecoming were Queen Sandy Cone and King Don Shockey.

SPORTS CARS transported Claudette Clum and other members of the royal party to the Lawrence Stadium ceremonies.

Homecoming—
Establishes Royalty, Tradition

HIGHLIGHT of the evening came when Mike Clemensen placed the royal crown upon Sandy Cone's head.

HALFTIME ACTIVITIES centered around the coronation ceremonies of Claudette Clum and Bobbie Jo Loepp, senior attendants; Vicki Basore, cheerleader; Sandy Cone, Homecoming Queen; Mike Clemensen, co-captain; and Sonya Wright and Patti Sprague, junior attendants.

LOOKS of concern, joy, and approval crossed Queen Sandy's face as she watched the Colonel gridders challenge East.

DANCERS circled under silver "stars" at the Goal Post Gala.

QUEEN and King for South's Jr. Sr. Prom, "Orchids in the Moon Light" were Vicki Basore and Joe Forinash. Their court included (l to r) Sonja Wright, Joyce McDonald, and Susan McMann, Jr. attendants. Janet Alvis, Claudette Clum, Mike Clemensen, and Frank Scott, Sr. attendants. Joe Dodd, John Morton, and Morris Birch, Jr. attendants.

FACULTY dancers also enjoyed the music of Bill Strout at the W. U. Campus Activity Center.

SOPHOMORES Gary Ruedebusch and Steve Shouse added a touch of tradition by serving as doormen.

CROWNS and kisses were exchanged by queen Vicki and King Joe.

'Curious Savage'—

Views 'Crazy' World

Life in a "rest home" is often more sane than in the outside world. This fact was graphically illustrated when Southern dramatists presented "The Curious Savage" in the fall under the direction of Miss Phyllis Gould.

Mrs. Savage (Judy James) had been placed in the home by her three children , Titus (Jack Ridley), Samuel (Jim Davis), and Lily Belle (Jo Elrod) when she refused to tell what she did with her $10 million.

Supporting characters were a teddy bear, a three-year old boy, Florence (Dixie Morris), Jeff (John Morton), Mrs. Paddy (Sonya Silknitter), Fairy Mae (Mary Lou Pond), Hannibal (Jerry Alter), Miss Willie (Nancy Wright), and Dr. Emmett (David Wallwork).

SHOCKING news about the Savage children reached (l to r) **Hannibal, Florence, Jeff, Fairy Mae, and Mrs. Savage through the newspaper.**

Modern Dancers—

Depict Early Kansas

Modern Dancers celebrated Kansas' 100th birthday on Jan. 28 with an interpretation of pioneer days through the dance.

Under the direction of Miss Beverly Ball, 110 Southern coeds gave the history of the Sunflower State through 16 dances with the girls providing their own choreography and costuming.

The finale, "Kansas Reviews," featured all of the members of the cast singing "I'm a Sunflower from the Sunflower State."
